## NEW LIFE EASTER CONFERENCE-“Launching into Gods Beauty”-Acts 3:1-10

I was privileged to have the opportunity to minister at the New Life Church Easter conference this Easter. The vision of the Church comes from John 10:10 & exhorts us to remember that Jesus came so we might have life and have it more abundantly. The opening line of my ministry website is “Experiencing the Abundant & Opulent Life”

and is taken from the same scripture text.

The theme for the conference, “Launching into Gods Beauty” was taken from Acts 3:1-10, the familiar scripture account that tells us about the crippled beggar man at “Beautiful Gate”. It took the man at beautiful gate a long time before he realised that he did’nt have to stay at the entrance of

Beautiful Gate and that he had the capacity to enter and go through the gate like others did.

Be encouraged to know that your miracle awaits you and that you too do not have to stay outside of the gate but can go through.

May our faithful God open up the eyes of your understanding to the potential and ability that lies in you through Christ Jesus!!

## Elections Day-South Africa: April 22

On Wednesday 22<sup>nd</sup> April, citizens of South Africa will be going to the polls to vote in national elections.

The South African IEC (Independent Electoral Commission), has for the first time made it possible for South African citizens living abroad to cast their votes.

Let’s join South Africa in praying & trusting God for peaceful elections and the election of Godly men and women to lead the country.

Pray for the IEC heads, Dr. Brigalia Bam & Pansy Tlakula, that God will give them wisdom and courage to provide direction & guidance to all the political parties.

Let us pray that His divine will be done and let us trust for a new season that will usher in the saving knowledge of Christ.

### TRUSTING GOD IN CHALLENGING TIMES

Beloveds, there's been so much talk of recession over the past few months that we have forgotten to look for th opportunities that exist in this season. I recently read a moving testimony about Raymond Ackerman, the Founder of Pick N Pay super

Markets.He testifies of how he was retrenched in the late 1960's when he and his wife were expecting their fourth child. It was during this time that he decided to go into business for himself and establish the retail supermarkets now known as the

Pick 'N Pay stores. What appeared to be a personal tragedy was actually a blessing in disguise. Be neither discouraged nor dismayed. Our God is able to do exceedingly, abundantly above our every hope & expectation. KFFP THE FAITH!!!!

### Prayer requests

Please pray for my cousin, Her excellency, Thokozani Kupe and her family who recently lost their mother. Their mother was involved in a car accident on her way to Harare to witness the recent inauguration of her daughter, Thoko as the Deputy Prime Minister for Zimbabwe.

### PRAISE REPORTS

Congratulations to my brother & sister-in-law, Pastors Milidzi & Barbara Kupe who were ordained at New Life Church in Bulawayo, Zimbabwe over the Easter weekend

May He who is eternally faithful cause you to be planted by the rivers of living water and cause you to be productive and bear fruit in your season. May your leaf not wither. Psalms 1
